UMIT BENAN

Character-building is this Milan-based designer's forte, and this season he took on Wall Street, reconceiving our aesthetic notions of the white-collar, morally questionable banker. Though his electric presentation was abundant in long beards and skirts, this double-breasted shawl collar jacket and drawstring waist trouser is boardroom certified. Jacket, £1,100; shirt, £300; trousers, £400, all by Umit Benan, www.umitbenan.com
